"Hello there! I'm beginning a survey of a typical school year, and Marysville High School is the site chosen for my experiment. As the year progresses, I'll gather my data and materials here. Then, at the end of the year, I'll combine everything; and we'll see what happens."

# Board of Education

The members of the Board of Education are as follows, from left to right: Mr. Peter H. Harmon, Trustee; Mr. Benjamin E. Neal, Treasurer; Mr. Richard W. Kern, Secretary; Mr. Clarence E. Heeke, President; Mr. William A. Johnson, Trustee; Mr. Norris A. Hanks, Superintendent of schools; Mr. Louis W. Schmorow, Trustee; and, Mr. Robert Keefe, Trustee.

This has been an extremely busy year for the members of the Board of Education. The Board this year was increased from five to seven members.

Early in the fall of 1960, the Board completed the proceedings to annex the Smith Creek School District to the Marysville District.

A major portion of their work has dealt with the construction and completion of the new Junior High building. They inspected the new Junior High building and accepted it for occupancy by pupils as of January 30, 1961.

With the increasing enrollments and expanding of the school district, the duties and responsibilities of the Board are continuously growing. The members of the Board have accepted this extra responsibility willingly and are most happy to serve the school and their community.

The Viking staff salutes these men for their progressive approach and outlook to the betterment of education for the children of the area.

# Homecoming Queen and Court

Our 1960 Homecoming queen, Carolyn Allen, reigned at the Algonac-Marysville football game held on Friday, October 14. The football squad helped make the annual Homecoming an outstanding event by soundly trouncing Algonac 39-6.

The Tom Simons Band played at the Alumni Dance after the game.

The fans yelled their loudest.

The Tenth Grade Vikings enjoyed another very successful season under the tutelage of Coaches Pake and Martin. Although their winning string, which had extended over some four seasons, was broken, they managed to win six of seven games and to out score their opponents 182 to 31.

The team showed exceptional balance this year. Al Smarch was the club's leading scorer. The fine defensive record of the team may be attributed to the excellent work of Yeager, Perry, Tremp, and Delhorbe. The Varsity Vikings will make good use of many of the fine players from the Tenth Grade squad next year.
